INCREDIBLE VIEWS

Size: 2,300 sq.ft. 3+/3/1 car garage
Per Jake Mason—"As the white snow gently cascades around the majestic Sangre de Cristos, the steps of an elk break the stillness. The horizon is painted in hues of purple, gold, orange and pink as the sun sets. Angel Fire is incomparable."

Come and visit and see if you can resist the beauty described by the property owner's 14 year old son.

Home sits just above the new country club and within walking distance of golf course. Views of whole Wheeler range.
